Pastor Greeting

I would like to say thank you to the Membership for your vote to confirm me as your Pastor. I am honored and humbled by the support shown me.

My hope and prayer for our church is to be a place to find love and people of like minds. We will not all have the same opinions on all topics. We must understand and honor another's right to voice their views without ridicule, in the right time and place. So I invite you to make your opinion known. Write, call, or e-mail me. I look

forward to hearing your perspective and I will respond as quickly as possible.

Several members have suggested classes and activities recently. We welcome anyone who may have ideas. A few of these are: social events, variety night, a trip to a Spiritualist camp, America's Stonehenge and Lily Dale, classes on tarot, a new healing modality and others. Please keep these suggestions coming!

We appreciate new ideas for classes and concepts but not all appear immediately. Everything is scrutinized and then put into a viable, working platform that must pass the state, NSAC and our insurance regulations. Some classes are being discussed with those people that were suggested and we are preparing the schedule for the coming months and attempting to fit it with theirs. The schedule will appear on the website as it becomes confirmed.

However, if you have brought forth a suggestion and are not willing to work on it with us, these may be delayed. Your desires are the burning light that creates the energy. Keep your light burning for us, help us see your ideas as clearly as you picture them, keep the light of your energy strong for us. We need you.

LASTLY: I want to thank those that have supported the Pastoral Committee during the past year. With the help of the Board and you, we've made many great accomplishments. The Pastoral Committee has now become the Pastoral Assistants Group and we will continue to work for the betterment of our church and its members. I hope you will feel free to contact them with any concerns you may have, or suggestions to be made.

I thank you all for your continued prayers as I pray for you. God Bless.

Britt and Emma Chronicles

Britt and Emma go to Church on Sundays. Not every Sunday, but most.

Britt and Emma love to serve their Church by volunteering to Chair the Service, conduct the Healing Service or offer Contact Healing during the Healing Service. They sometimes come to Church early to help setup. They also occasionally bring food to share after service. Britt and Emma know

how good it feels to share their talent and time with others.

Britt and Emma are Church members always finding ways to participate in and grow their Church Community. See Britt and Emma enjoying their happy life.

News You Can Use: MPI and Scholarship Spotlight

Our Spiritual growth is highly dependent on continuing to learn...

Did you know that not only is there a 30-lesson course available through the National Spiritualist Association of Churches, but there are scholarships that can help you buy the course!

The National organization has a few scholarship funds, and our local church has one too.

Get information on the courses and on making your scholarship application from Pastor Judy or a Pastoral Group or Board member...they'll point you to exactly what steps you need to take.
